U.S. Destroyer Chases Liner.

The Old Dominion Line steamer Jefferson, outbound for Norfolk, failed to stop when signalled by the government boats, on neutrality patrol, at Quarantine yesterday. The United States destroyer Drayton started in pursuit and overhauled the Jefferson beyond Sandy Hook. She was brought to Quarantine, but was subsequently released, and stopped on her voyage.

LONDON MARKET MONEY PLENTIFUL

Discounts Show Drooping

Tendency—Foreign Se- curities Sag.

London, July 5.—Money was in plen- tiful supply here to-day, and discounts showed a drooping tendency on the belief that money will not be as dear as had been expected.

On the Stock Exchange the cessation of selling of home securities to invest in the new war loan keeps the market steady, but foreign securities show a disposition to sag to the minimum. The old war loan was active; rubbers and oils were steady and coppers flat.

American securities were lifeless, owing to the holiday in the United States, but further sales of gold bonds were recorded.

Consols closed half a point lower, at 65.

Money and discount rates were quiet. Money loaned at 1½ per cent. Discount rates for short and three months' bills were 3½ and 4 per cent.

Gold premium at Lisbon, 40.

Paris, July 5.—Prices were firm on the Bourse to-day. Three per cent rents, 70 francs for cash. Exchange on London, 26 francs 99 centimes.
